

Attorney Docket No. 15737US01

REMARKS**BEST AVAILABLE COPY**

The present application includes claims 1-107. By this Response, claims 1-105 have been canceled without prejudice, and new claims 106-107 have been added.

Claims 90 and 103 were objected to by the Examiner because of a few informalities. Claims 1-105 were rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention. Additionally, claims 1-4, 23-26, 43-46 and 61-64 were rejected under 35 U.S.C. 103(a) as being unpatentable over Feinberg (U.S. Patent No. 5,910,048). Claims 5-22, 27-42, 47-60 and 65-105 were rejected under 35 U.S.C. 103(a) as being unpatentable over Feinberg in view of Found et al. (U.S. Patent Application Publication No. 2001/0049303). However, the Applicant respectfully submits that in light of the cancellation of claims 1-105 and addition of new claims 106-107, the Examiner's objections and rejections should be withdrawn. The Applicant respectfully submits that new claims 106-107 should be in condition for allowance.

During the Interview of October 13, 2004, the Applicant and the Examiner discussed new claims 106 and 107 and the prior art, including Torango (U.S. Patent No. 6,592,460), Tracy (U.S. Patent No. 5,611,055), Feinberg (U.S. Patent No. 5,910,048), and Found (U.S. Patent Application Publication No. 2001/0049303). The Examiner agreed that the claims were allowable over those prior art references. The Examiner indicated that she would perform one final search before allowing the claims.

Thus, the Applicant respectfully submits that claims 106-107 of the present application should be allowable.

Attorney Docket No. 15737US01

CONCLUSION

The Applicant submits that the present application is in condition for allowance and respectfully requests an action to that effect. If the Examiner has any questions or the Applicant can be of any assistance, the Examiner is invited and encouraged to contact the Applicant at the number below.

The Commissioner is authorized to charge any additional fees or credit overpayment to the Deposit Account of MHM, Account No. 13-0017.

Respectfully submitted,

Date: October 14, 2004
